

Style Meets Function

Style meets function with Honeywell's state-of-the-art Custom Alpha Keypads. The sleek, sophisticated keypads look as good as they work—with a choice of silver or white models to suit any business environment. What's more, they're easy to use, easy to read and contain a host of convenient features that make security system operation easier than ever.

Sleek, Stylish Design

- **Silver:** Sleek, stylish and perfect for commercial kitchens, lobbies, offices, garages, industrial settings and more
- **White:** Popular, classic choice that looks great in any setting

Easy to Use

- Comfortable, soft-touch keys are labeled with simple commands and illuminated to provide superior visibility
- Convenient, audible beeps indicate system status, entry/exit delays and other conditions
- Four one-touch function keys can be custom-programmed to contact the police, fire department and other emergency response personnel

Easy to Read

A large, bright display spells out system status in plain-English—alerting you and your employees to the exact type and location of an alarm so you can react quickly.
